1	Visit www.TheGreatCommunityChallenge.ie Read an overview of the event including the Terms & Conditions & FAQ's
2	Contact enquiries@empowerevents.ie to secure a place should your organisation wish to proceed/enter. Note there are only 12 places per county. First-Come-First-Served!
3	On receipt of the Booking Form from Empower Events, the Local Community Organisation signs up and pays a deposit of €500 plus VAT (50% of the €1,000 entry fee).
4	Empower Events then provides the Local Community Organisation with the necessary information & marketing materials for its potential members/subscribers/friends.
5	The Local Community Organisations contacts its members/subscribers/friends directly and via social media in order to enlist 150 households to participate in the Game Show.
6	The Participating Households will be required to have 2 devices to take part (2 x smart phones or a computer/tablet & smartphone). The members also require broadband or 4G & access to WhatsApp.
7	The Local Community Organisation will receive a bespoke event link where Participating Households can sign up by paying an entry fee of €40 per household for the County Final (round #1)
8	The Local Community Organisation ensures 200 Participating Households enter and in doing so raises €6,000. It costs the Local Community Organisation €1,000 to enter. The Local Community Organisation can enter with less Participating Households but whatever it raises will be less the €1,000 entry fee. Note, winners of modules within the Game Show are deciphered by the most correct answers in the shortest time. So less people will give less of a chance.
9	The Local Community Organisation thereby receives €6,000 (150 x €40). €1000 of this is paid to the event fund. €5,000 will be kept by the Local Community Organisation...win, lose or draw.
10	Empower Events provides the date & time of the Game Show.
11	The Local Community Organisation pays the remaining portion of the entry fee €500 (total fee is €1,000) before the event.
12	The Local Community Organisation (with its Participating Households) takes part in its County Final against 11 other Local Community Organisations.
13	The winning Local Community Organisation will receive an additional €5,000 in prize money & go through to the National Grand Final (round #2) bringing their take-home total to €10,000 in one night. (Those who don't win retain the €5,000 raised). One Participating Household will also receive €500 in prize money.
14	One Runner-Up from each County Final will also be entitled go through to the National Grand Final (round #2) but will not receive the winners prize (above).
16	The winners (of the County Finals) will go on to compete in the National Grand Final and the runners-up who wish to proceed also have the option of progressing also. The journey for those who don't win ends, having raised €5,000 in one night.
17	€3,000 (plus 23% VAT) of the €10,000 received at the County Final by each winning Local Community Organisation going through to the final will be retained by Empower Events towards the fund & running costs of the National Grand Final.
